SENDING IN YOUR FIBER ORDERS

We need the following information for your order and special instructions for each fleece – or each part you send in to us for processing. We need processing instructions such as wash/pick/card into roving or batting. If you would like us to process batting note if you prefer comforter batting or quilt batting and the size required (crib, throw, single, full, queen, king, pillow, etc.) If we are spinning yarn, note the number of plys and weight and attach a sample of a yarn you would like us to try to duplicate. If you are a new customer, please include a copy of the \$5.00 Gift Certificate Form from our website at WWW.OVNF.COM. If you have numerous parts to your order, keep them in separate bags with separate notes. Place as many parts as you can in a box. Place this page in your **FIRST BOX**. Note in this box the number of boxes you are shipping:
